

Centene and Health Net Announce Early Termination of Hart-Scott-Rodino Waiting Period in Connection With Planned Combination

August 12, 2015

ST. LOUIS and LOS ANGELES, Aug. 12, 2015 /PRNewswire/ -- Centene Corporation (NYSE: CNC) and Health Net, Inc. (NYSE: HNT) today announced early termination of the waiting period required under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, in connection with their merger agreement under which Centene will acquire all of the shares of Health Net in a cash and stock transaction valued at approximately \$6.8 billion, including the assumption of approximately \$500 million of debt.

As previously announced on July 2, 2015, the combination of Centene and Health Net would create a leading diversified multi-national health care enterprise, extending Centene's offerings in government programs, including Medicare Advantage and programs offered through contracts with the U.S. Department of Defense and U.S. Department of Veterans Affairs, as well as the commercial exchanges.

Centene continues to expect that the transaction will close by early 2016, subject to approval by Centene and Health Net shareholders, approvals by relevant state insurance and health care regulators, and other customary closing conditions.

About Centene Corporation

Forward Looking Statements

This press release contains certain forward-looking statements with respect to the financial condition, results of operations and business of Centene, Health Net and the combined businesses of Centene and Health Net and certain plans and objectives of Centene and Health Net with respect thereto, including the expected benefits of the proposed merger. These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements often use words such as "anticipate," "target," "expect," "estimate," "intend," "plan," "goal," "believe," "hope," "aim," "continue," "will," "may," "would," "could" or "should" or other words of similar meaning or the negative thereof. There are several factors which could cause actual plans and results to differ materially from those expressed or implied in forward-looking statements. Such factors include, but are not limited to, the expected closing date of the transaction; the possibility that the expected synergies and value creation from the proposed merger will not be realized, or will not be realized within the expected time period; the risk that the businesses will not be integrated successfully; disruption from the merger making it more difficult to maintain business and operational relationships; the risk that unexpected costs will be incurred; changes in economic conditions, political conditions, changes in federal or state laws or regulations, including the Patient Protection and Affordable Care Act and the Health Care Education Affordability Reconciliation Act and any regulations enacted thereunder, provider and state contract changes, the outcome of pending legal or regulatory proceedings, reduction in provider payments by governmental payors, the expiration of Centene's or Health Net's Medicare or Medicaid managed care contracts by federal or state governments and tax matters; the possibility that the merger does not close, including, but not limited to, due to the failure to satisfy the closing conditions, including the receipt of approval of both Centene's stockholders and Health Net's stockholders; the risk that financing for the transaction may not be available on favorable terms; and risks and uncertainties discussed in the reports that Centene and Health Net have filed with the Securities and Exchange Commission (the "SEC"). These forward-looking statements reflect Centene's and Health Net's current views with respect to future events and are based on numerous assumptions and assessments made by Centene and Health Net in light of their experience and perception of historical trends, current conditions, business strategies, operating environments, future developments and other factors they believe appropriate. By their nature, forward-looking statements involve known and unknown risks and uncertainties because they relate to events and depend on circumstances that will occur in the future. The factors described in the context of such forward-looking statements in this announcement could cause Centene's and Health Net's plans with respect to the proposed merger, actual results, performance or achievements, industry results and developments to differ materially from those expressed in or implied by such forward-looking statements. Although it is believed that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct and persons reading this announcement are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as of the date of this announcement. Neither Centene nor Health Net assumes any obligation to update the information contained in this announcement (whether as a result of new information, future events or otherwise), except as required by applicable law. A further list and description of risks and uncertainties can be found in Centene's Annual Report on Form 10-K for the fiscal year ended December 31, 2014 and in its reports on Form 10-Q and Form 8-K as well as in Health Net's Annual Report on Form 10-K for the fiscal year ended December 31, 2014 and in its reports on Form 10-Q and Form 8-K.
